

Pupil Premium Report 2014-15

Pupil Premium funding is additional funding, given to publicly funded schools so schools can extend their support to disadvantaged pupils in order to help close the attainment gap between these children and their peers. Research shows that pupils from deprived backgrounds underachieve compared to their non-deprived peers. The premium is provided to enable these pupils to be supported to reach their potential. It is paid to schools according to the number of pupils who have been registered as eligible for free school meals (FSM) at any point in the last 6 years (Ever 6).

Pupil Premium Plus was introduced in the financial year 2014/15 to support children who:

- are currently under the care of the Local Authority;
- have been looked after by the Local Authority, at any point, for 1 day or more;
- were adopted from Local Authority care on or after 30 December 2005 ;
- left Local Authority care under a Special Guardianship Order on or after 30 December 2005;
- left Local Authority care under a Residence Order on or after 14 October 1991.
