Pastoral Care/Spiritual Development

The quality of relationships between all members of school, staff and pupils, and the relationship with parents and carers is the area that is most commonly associated with the ethos of a church school. It is expressed in the terms of sharing and caring. Jesus was clear in his instructions to the disciples on this matter.

‘Love your neighbour as yourself’ – Matthew 22:39.

‘This is my commandment: love each other’ - John 15:17.

Everyone associated with the school is made in the image of God and is to be loved. This is the commandment from which Northern Lights Learning Trust derives its policy for pastoral care.

We have a series of overlapping networks of relationships, which includes governors, staff, children, parents, church members, and members of the community which the school seeks to serve. Our pastoral work will strive to meet the significant challenge to create and maintain such networks in ways which reflect the Gospel. Those who are school staff and in particular those in leadership roles, which include all who have a particular responsibility, ensure that by their personal example they set the highest standards expected.

It is from this premise that Christian love will pervade all aspects of life at Northern Lights Learning Trust. It will influence how we reward and teach discipline. It will affect how we value work and the achievements of pupils and staff. It will be seen in the way in which the school environment is created and cared for, in the way in which the needs of pupils, parents, and community are met, and in the way in which teaching and non-teaching staff work together effectively as a team. Pastoral care pervades all aspects of school life and therefore will be reflected in the way the school is organised and the way policies are written and implemented.

The Trust's Child Protection Policy is part of the school's pastoral system and safeguarding arrangements.

Purpose and Aim

Northern Lights Learning Trust's whole-school Child Protection Policy aims to provide clear direction to staff and others about expected codes of behaviour in dealing with child welfare concerns. The policy also aims to make explicit the academy's commitment to the development of good practice and sound procedures to keep children safe in our academy. This policy recognises that abuse can occur in all communities and contexts and that all staff have a responsibility and the opportunity to support children, in sharing concerns and worries in school to feel safe. The whole school culture of vigilance in any of the school's within Northern Lights Learning Trust creates a safe space where children are supported, listened to and valued in what they choose to share and that ALL staff act immediately with the necessary level of intervention to create the most effective outcome for every individual child.

The purpose of the policy is, therefore, to ensure that our children's welfare is of paramount importance, early and additional help is offered to prevent escalation and where child protection concerns are identified referrals are handled sensitively, professionally and in ways that support the needs of the child's well-being.

Governors and staff are committed within Northern Lights Learning Trust to keeping children safe by safeguarding and promoting the welfare of children in our care through all our policies, procedures and practices. We expect all our pupils' parents and visitors to share this commitment and understanding.

This child protection policy applies in respect of any staff from Northern Lights Learning Trust working with the school named in the policy.'

Introduction

Northern Lights Learning Trust fully recognises the contribution it can make to keeping children safe and supporting the pupils in its care. There are four main elements to Northern Lights Learning Trust's child protection policy:

1. **Prevention** (positive atmosphere within our academy, careful and vigilant teaching, pastoral care, support to pupils, providing good adult role models and the identification of early and additional support/services to children and families and recognising and reducing risks to children including harassment, bullying, victimisation, sexual violence and sexual harassment, criminal and sexual exploitation, preventing radicalisation (extremism, radicalisation and terrorism) and issues such as honour based abuse, female genital mutilation and forced marriage).
2. **Protection** (following agreed procedures, ensuring all staff respond appropriately and sensitively to child protection concerns and that every member of staff has regular training and updates at least annually and are supported to refer their concerns to the Designated

Safeguarding Leads [in Benedict Biscop CE Academy - Sarah Armstrong or in her absence Deputy Safeguarding Lead Gemma Clark or the Integrated Contact and Referral Team

(CSN 0191 520 5560) directly IF NECESSARY. In certain specific cases such as Female Genital Mutilation (Mandatory reporting of FGM from October 2015), Radicalisation or Forced Marriage there are SPOCS/named teams and individuals within the police who can be contacted).

3. **Reconsideration** (following and challenging the progress of new referrals and existing cases to ensure that individual cases are reconsidered if there remains no improvement to a child's circumstances).
4. **Support** (for pupils and school staff and for children who may be vulnerable due to their individual circumstances or extra-familial harm) and taking action to enable all children to have the best outcomes).

All staff have the added responsibility of recognising that there may be children with additional vulnerability who remain at higher risk of harm or abuse because of their existing vulnerability. All school staff should be particularly alert to the potential need for early help for a child who:

- is disabled and has specific additional needs
- has special educational needs (whether or not they have a statutory Education, Health and Care Plan)
- is a young carer
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups
- is frequently missing/goes missing from care or from home
- is at risk of modern slavery, trafficking or exploitation
- is at risk of being radicalised or exploited
- is in a family circumstance presenting challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse
- is misusing drugs or alcohol themselves
- has returned home to their family from care
- is a privately fostered child

(KCSIE 2021)

All staff have a responsibility to recognise child abuse, neglect and peer on peer (child on child) abuse in its many forms. All staff should also be aware that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. Additional guidance on how our school supports the following areas of additional need or harm are provided in the hyperlinked documents in Appendix 1 of this Child Protection Policy and includes the full list taken from Keeping Children Safe in Education **2021** pages 82-97. Where an academy has created an additional school policy because of any specific area of need this is to be read in conjunction with this Trust Child Protection Policy.

Broadly the areas taken from Keeping Children Safe in Education, 2021 Annex A, include

AS STATED THE FULL LIST OF ADDITIONAL ADVICE AND SUPPORTIVE HYPERLINKS CAN BE FOUND IN APPENDIX 1 OF THIS POLICY

In the event of any of the above issues being recognised, information should be shared directly with the Designated Safeguarding Leads which will result in the situation being recorded, evaluated and support offered in school or the pupil/s being referred to specific services.

This policy applies to Northern Lights Learning Trust's whole workforce.

Framework and Legislation

No academy operates in isolation. Keeping children safe from significant harm is the responsibility of all adults especially those working with children. The development of appropriate procedures and the monitoring of good practice are the responsibilities of Sunderland Local Safeguarding Children Partnership, which includes the partnership of several agencies who work with children and families across the City.

Northern Lights Learning Trust is committed to keeping children safe and safeguarding all children in accordance with Child Protection: Sunderland Safeguarding Children Partnership's Multi Agency Safeguarding Arrangements (MASA) www.safeguardingchildrensunderland.com and partner agencies in all cases where there is a concern about significant harm.

Significant Harm is defined in The Children's Act 1989 as the ill-treatment (including sexual abuse and physical abuse) or the impairment of health (physical or mental) or development (physical, intellectual, emotional, social or behavioural) as compared to a similar child.

Note: harm now includes the impairment of a child's health or development as a result of witnessing the ill treatment of another person.

(Adoption and Children Act 2002)

Local Authorities have a duty to investigate (under S47 of the Children Act 1989). Where a Local Authority is informed that there is a child who is living, or is found, in their area and they have reasonable cause to suspect that child is suffering or is likely to suffer significant harm they must make such enquiries as necessary to promote or safeguard the child's welfare. Together for Children through the Integrated Contact and Referral Team undertakes this responsibility on behalf of the Local Authority once a referral has been made.

Keeping Children Safe in Education September 2021 contains information on what academies **should** do and sets out the legal duties with which academies **must** comply. It should be read alongside Working Together to Safeguard Children 2018 which applies to all the academies. The Children Act 1989 sets out the Legal Framework.

Roles and Responsibilities for all staff

Safeguarding and promoting the welfare of children is defined for the purposes of this policy as: protecting ALL children from maltreatment and abuse; (including in addition to the four categories of harm, issues such as sexual violence and sexual harassment, child criminal exploitation (CCE), child sexual exploitation (CSE), honour based abuse (HBA) inclusive of female genital mutilation (FGM) and forced marriage, preventing radicalisation, (extremism, radicalisation and terrorism), harassment, bullying and victimisation) preventing impairment of children's health (physical and mental health) or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes. This includes everyone under the age of 18.

Everyone who comes into contact with children and their families has a role to play in safeguarding children. Due to the regular contact with children, which all staff at Northern Lights Learning Trust have, we hold a particularly important role in safeguarding as we are in a position to identify concerns early, provide help for children and to prevent concerns from escalating. Children can make disclosures or show signs of abuse at any time and to any individual and safeguarding incidents can occur within the academy. Therefore, through a thorough induction process and the sharing of this policy to all staff, students and volunteers, it is important that ALL staff:

Ensure that they listen to and reflect on the voice of the child at ALL times and take seriously any concerns raised to them by a child.

- Ensure that they report ANY concerns of harm to any child to the Designated Safeguarding Lead immediately [Sarah Armstrong]. (However, ALL staff can refer their concerns directly to the Integrated Contact and Referral Team if necessary and the police in the stated incidents above. They should inform the Designated Safeguarding Lead as soon as possible if they have reported concerns directly).
- Ensure that they record any information shared directly with them by a child or observed/witnessed with the Designated Safeguarding Lead immediately. This could include sharing information on behalf of the Designated Safeguarding Lead with other agencies. All discussions decisions and reasons for them should be recorded in writing adhering to the Northern Lights Learning Trust recording and information sharing policy/ procedure.
- Ensure that they maintain an attitude of **'it could happen here'** and report any concerns regarding the behaviour of a child /an adult/staff member in school directly to the Designated Safeguarding Lead/Headteacher/CEO.
- Ensure that they feel able to raise concerns about poor or unsafe practices of staff and potential failures in the academy's safeguarding regime through whistleblowing procedures and the staff behaviour/code of conduct policy.
- Ensure that they attend regular formal training/updates at least annually to support them in recognising the signs and symptoms of abuse, particularly in support of early identification of needs of children to prevent an escalation of need or risk to the child.
- Ensure from the 1st July 2015 for schools, that under the Counter Terrorism and Security Act, April 2015 that staff within Northern Lights Learning Trust have 'Due regard' To Prevent' and to assess risk of children and young people being radicalised drawn into extremism/terrorism (based upon potential risks in local area and that clear protocols in place for all visitors so that views are appropriate and not an opportunity to influence others).
- Ensure from October 2015 that there is mandatory reporting to the police in all cases where teachers discover that an act of FGM appears to have been carried out.

- Ensure that they understand through online safety training the additional risks for pupils online and continue to promote the Trust's Online Safety Policy/acceptable usage [and individual academy protocol] in the protection of all pupils. This includes the management of internet access via children's own mobile phones or electronic devices which can allow them unlimited access to the internet without any restrictions using their own data allowance. No pupil will be able to access their own device, whilst on an academy site and the consequences of any evidence of inappropriate use of the internet will be dealt with.
- Ensure that they remain vigilant whilst visitors are on site and continue to promote the school's commitment to keeping children safe through reminding visitors and parents of the school's appropriate use of personal mobile phones/devices whilst they are on school premises. This includes staff understanding and adhering to the Staff Behaviour Policy inclusive of use of mobile phones and electronic devices.

Northern Lights Learning Trust will work with social care, the police, health services and other services to promote the welfare of children and protect them from harm.

The Designated Safeguarding Lead

Northern Lights Learning Trust has appointed, from our SLT, Sarah Armstrong, Headteacher, to be our Designated Safeguarding Lead. This person has the overall responsibility for safeguarding and Child Protection and has the appropriate authority and training to undertake such a role and is able to provide advice and support to other staff on child welfare and child protection matters. This person is able to take part in strategy discussions and inter agency meetings and to support other trained staff to do so as well as contribute to the assessment of children. The Designated Safeguarding Lead (and any deputies) are most likely to have a complete safeguarding picture and be the most appropriate person to advise on the response to safeguarding concerns (KCSIE 2021).

Role of the Designated Safeguarding Lead

At Northern Lights Learning Trust we have appointed the following Deputy Designated Lead Gemma Clark. These individuals are trained to the same standard as the Designated Safeguarding Lead. Whilst the activities of the Designated Safeguarding Lead can be delegated to appropriately trained deputies the ultimate LEAD RESPONSIBILITY for child protection will not be delegated and remains with the Designated Safeguarding Lead.

All of our deputies will be trained to the same standard as the designated safeguarding lead and the roles are explicit linked to their job description.

The Designated Safeguarding Lead has a very detailed role, (see below)

However, if there is an IMMEDIATE safeguarding concern and the Designated

Safeguarding Leads within school are unavailable, please contact the CEO or DCEO or if they are unavailable please seek immediate support via the Integrated Contact and Referral Team (0191 520 5560).

The broad areas of responsibility for the Designated Safeguarding Leads are identified here:

Manage referrals

- Refer cases of suspected abuse to the Integrated Contact and Referral Team.
- Support staff who make referrals to the Integrated Contact and Referral Team.
- Refer cases to the Channel programme where there is a radicalisation concern as required.
- Support staff who make referrals to the Channel programme.
- Refer cases where a person is dismissed or left due to risk/harm to a child to the Disclosure and Barring Service as required.
- Refer cases where a crime may have been committed to the Police as required (including Sexual Exploitation (MSET lead) or Female Genital Mutilation and Forced Marriage).

Work with others

- Act as a point of contact with the three safeguarding partners (Sunderland Safeguarding Children Partnership).
- Liaise with the CEO OR DCEO, AND SENIOR STAFF to inform them of issues, especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations.
- As required liaise with the case manager (CEO, Headteacher or where they are the subject of the allegations, the Chair of the Trust or Chair of Governors,) and the Designated Officer through Together for Children, operating on behalf of the Local Authority for child protection concerns (all cases which concern a staff member)
- Liaise with staff (especially pastoral support staff, school nurses, IT Technicians and SENDCO and Senior Mental Health Leads on matters of safety and safeguarding (including online and digital safety) and when deciding whether to make a referral by liaising with relevant agencies.
- Act as a source of support, advice and expertise to staff on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies.

Training

The Designated Safeguarding Lead (and any deputies) should undergo training to provide them with the knowledge and skills required to carry out the role. This training should be updated at least every two years. The Designated Safeguarding Lead should undertake Prevent awareness training. Training should provide Designated Safeguarding Leads with a good understanding of their own role, and the processes, procedures and responsibilities of other agencies, particularly children's social care, so they:

- Understand the assessment process for providing early help and statutory intervention, including local criteria for action and local authority children's social care (Together for Children) referral arrangements.
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so.
- Ensure each member of staff has access to and understands the schools or colleges Child Protection Policy and procedures, especially new and part time staff.
- Are alert to the specific needs of children in need, those with special educational needs and young carers.
- Understand relevant data protection legislation and regulations, especially the Data Protection Act 2018 and the General Data Protection Regulation.
- Understand the importance of information sharing, both within the school and college, and with the three safeguarding partners (Sunderland Safeguarding Children Partnership) other agencies, organisations and practitioners.
- Are able to keep detailed, accurate and secure, written or electronic records of concerns and referrals.

-

-

Understand and support the school with regards to the requirements of the Prevent duty and be able to provide advice and support to staff on protecting children from the risk of radicalisation.

Are able to understand the unique risks associated with online safety and be confident that they have the relevant knowledge and up to date capability required to keep children safe whilst they are online at school or college.

- Can recognise the additional risks that children with SEN and disabilities (SEND) face online, for example, from online bullying, grooming and radicalisation and are confident they have the capability to support SEND children to stay safe online.
- Obtain access to resources and attend any relevant or refresher training courses.
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in any measures the school may put in place to protect them.

In addition to the formal training set out above, their knowledge and skills should be refreshed (this might be via e-bulletins, meeting other Designated Safeguarding Leads, or simply taking time to read and digest safeguarding developments) at regular intervals, as required, and at least annually, to allow them to understand and keep up with any developments relevant to their role.

Raise Awareness

The designated safeguarding lead should ensure the Trust policies are known understood and used appropriately:

- Ensure the academy Child Protection Policy is reviewed annually (as a minimum) and the procedures and implementation are updated and reviewed regularly, and work with governing bodies or proprietors regarding this.
- Ensure the Child Protection Policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school in this.
- Link with the Sunderland Safeguarding Children Partnership to make sure staff are aware of training opportunities and the latest local policies on safeguarding.
- Help promote educational outcomes by sharing the information about the welfare, safeguarding and child protection issues that children, including children with a social

worker, are experiencing, or have experienced, with teachers and school and leadership staff. Their role could include ensuring that the school and their staff, know who these children are, understand their academic progress and attainment and maintain a culture of high aspirations for this cohort; supporting teaching staff to identify the challenges that children in this group might face and the additional academic support and adjustments that they could make to best support these children.

Child Protection File

Where children leave the school or college (including in-year transfers) the Designated Safeguarding Lead should ensure their child protection file is transferred to the new school or as soon as possible. This should be transferred separately from the main pupil file, ensuring secure transit, and confirmation of receipt should be obtained. Receiving schools and colleges should ensure key staff such as designated safeguarding leads and SENCOs or the named person with oversight for SEN in colleges, are aware as required.

In addition to the child protection file, the Designated Safeguarding Lead should also consider if it would be appropriate to share any information with the new school or college in advance of a child leaving. For example, information that would allow the new school or college to continue supporting victims of abuse and have that support in place for when the child arrives.

Availability

- During term time the designated safeguarding lead (or a deputy) should always be available (during school hours) for staff in the school to discuss any safeguarding concerns.
- Whilst generally speaking the designated safeguarding lead (or deputy) would be expected to be available in person, it is a matter for individual schools, working with the designated safeguarding lead, to consider whether in exceptional circumstances availability via phone and or Skype or other such mediums is acceptable.
- It is a matter for individual schools and the Designated Safeguarding Lead to arrange adequate and appropriate cover arrangements for any out of hours/out of term activities.

Taken from Keeping Children Safe in Education, 2021: Annex A

In addition the following is recommended as best practice that the Designated Safeguarding Lead's:

-

-

- Ensure each member of staff has access to and understands the Trust's suite of safeguarding policies particularly the Child Protection Policy and the Staff Behaviour Policy, especially new or part-time staff who may work with different establishments.

Be aware of all school excursions and residentials and clarify with educational visit co-ordinator/group leader(s) their role and responsibility in connection with safeguarding/child protection.

Ensure that a Professional Supervision Policy is in place for all Designated Safeguarding Leads and is a well embedded process in schools that allows for critical and reflective practice to promote the educational outcomes and improved mental health and wellbeing of all vulnerable children.

- Ensure that a whole school policy for Induction is in place for all new starters including members of the workforce and volunteers, to induct them thoroughly into all key aspects of their role and responsibility in school.
- Ensure the Trust policy about managing behaviour and discipline including the use of reasonable force, is in place. There are circumstances when it is appropriate for staff in schools to use reasonable force to safeguard children and young people. The term 'reasonable force' covers the broad range of actions used by staff that involve a degree of physical contact to control or restrain children. This can range from guiding a child to safety by the arm, to more extreme circumstances such as breaking up a fight or where a young person needs to be restrained to prevent violence or injury. 'Reasonable' in these circumstances means 'using no more force than is needed'. The use of force may involve either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of the classroom. When using reasonable force in response to risks presented by incidents involving children with SEN or disabilities or with medical conditions, schools should in considering the risks carefully recognise the additional vulnerability of these groups. They should also consider their duties under the Equality Act 2010 in relation to making reasonable adjustments, nondiscrimination and their Public Sector Equality Duty.
- Ensure the effective Trust policy against bullying/online bullying inclusive of measures to prevent all forms of bullying among pupils, is in place.
- Inform LA/Together for Children of any pupil to be deleted from school admission register and follow missing from education protocols
- Inform the LA/Together for Children of any pupil who fails to attend school regularly, or has been absent without schools permission for a continuous period of 10 days or more.

Responsibilities of Northern Lights Learning Trust's MAT Board /Local Governing Body

Governing bodies should have a senior board level (or equivalent) lead to take leadership responsibility for their school's safeguarding arrangements.

There is a named Safeguarding Lead for Northern Lights Learning Trust– Jo Heaton, who has been appointed to support Designated Safeguarding Leads in their roles, who must:

-

Ensure that the allocation of funding and resource is sufficient to meet the current safeguarding and child protection activity and challenge the safeguarding activity.

- Ensure the self-assessment tool and Designated Safeguarding Lead report demonstrates fully and accurately the safeguarding arrangements and any action to progress areas of weakness or development.
- Ensure that the governing body receives training to clarify their statutory role in keeping children safe to support their quality assurance of those statutory arrangements.
- Ensure that the governing body is aware of the changes from Local Safeguarding Children Board's to Safeguarding Partner arrangements and the need for the school/college to understand their role in effective multi-agency working under the new arrangements.

The senior Safeguarding Lead for the Local Governing Body is the Chair identified [in Benedict Biscop CE Academy, this will be Rev D.Tolhurst].

The role of this individual is to:

- Ensure that they liaise with Together for Children operating on behalf of the local authority and/or partner agencies on issues of child protection and in the event of allegations of abuse made against the Headteacher or member of governing body.
- Ensure that in the event of allegations of abuse being made against the Headteacher, should be reported directly to the Designated Officer (DO). Therefore, ensuring effective whistleblowing procedures are in place.
- Ensure that the appointed member of the Governing Body for safeguarding holds the Headteacher to account on all matters involving safeguarding through an effective Child Protection Policy that is embedded and followed by the entire workforce in all of the above raised areas.
- Ensure that all staff receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings) as required, and at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.
- Ensure that the school has appropriate filtering and monitoring systems in place for online content and ensure that staff, pupils and visitors to their site follow their school / setting's acceptable use policy / online safety policy.

- Ensure that children are taught about safeguarding, keeping themselves safe, including online safety through Relationships Education (Primary) or Relationships and Sex Education (Secondary).

Ensure that a Designated Teacher is appointed to promote the educational achievement of looked after children, including working with the Together for Children virtual school Headteacher and discuss how pupil premium funding for looked after children will be used.

Ensure they have clear systems and processes in place for identifying possible mental health problems, including routes to escalate and clear referral and accountability systems.

Information for Parents

At Northern Lights Learning Trust, Directors, Governors and staff are committed to keeping our children safe and will take any reasonable action to safeguard and promote their welfare. In cases where the academy has reason to be concerned that a child maybe suffering significant harm, ill treatment, neglect or other forms of harm, staff have no alternative but to follow Sunderland Safeguarding Children Partnership Multi Agency Safeguarding Arrangements (MASA) and inform the Integrated Contact and Referral Team or police of their concern.

Procedures

The Designated Safeguarding Lead (or deputy DSL) will be informed immediately by an employee of the academy, pupil of the academy, parent of the academy or other persons, in the following circumstances:

Suspicion that a child is being harmed

- There is evidence that a child is being harmed

The threshold of significant harm is defined in the Children Act 1989 Section 31 (9) as:

- Ill-treatment
- Impairment of health (as compared to a similar child)

Note: harm now includes the impairment of a child's health or development as a result of witnessing the ill-treatment of another person (Adoption and Children Act 2002).

Working together 2018 defines the categories of harm as:

Physical Abuse

-
-

A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness in a child.

Neglect

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.

Neglect may occur during pregnancy as a result of maternal substance misuse. Once a child is born, neglect may involve a parent or carer failing to provide adequate food and clothing, shelter including exclusion from home or abandonment, failing to protect a child from physical and emotional harm or danger, failure to ensure adequate supervision including the use of inadequate care-takers, or the failure to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Sexual Abuse

Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Emotional Abuse

The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve

seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child though it may occur alone.

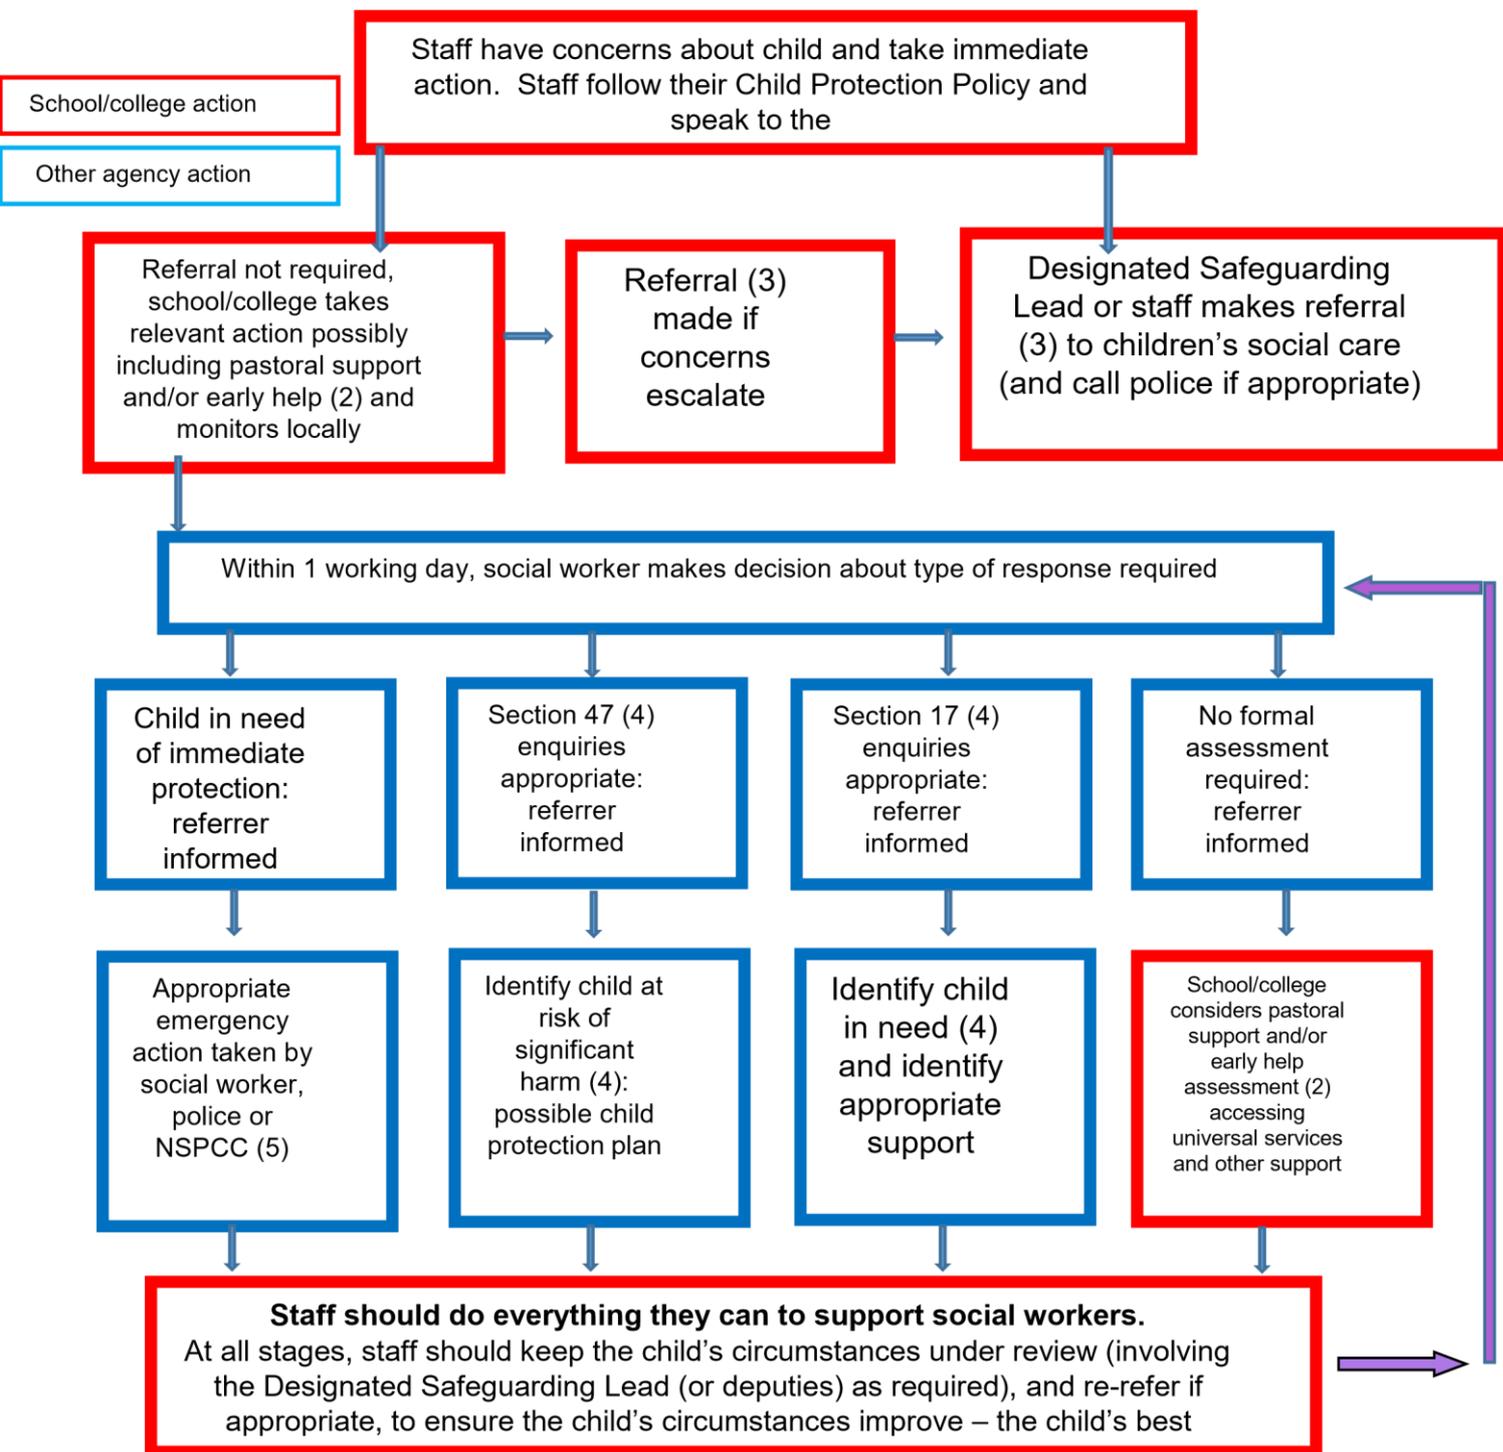

Children potentially at greater risk of harm

Children may need a social worker due to safeguarding or welfare needs. Children may need this help due to abuse, neglect and complex family circumstances. A child's experiences of adversity and trauma can leave them vulnerable to further harm, as well as educationally disadvantaged in facing barriers to attendance, learning, behaviour and mental health. Local authorities should share the fact a child has a social worker, and the Designated Safeguarding Lead should hold and use this information so that decisions can be made in the best interests of the child's safety, welfare and educational outcomes. This should be considered as a matter of routine. There are clear powers to share this information under existing duties on both local authorities (Together for Children) and schools and colleges to safeguard and promote the welfare of children.

All staff should be aware that safeguarding incidents and/or behaviours can be associated with factors outside the school or college and/or can occur between children outside of these environments. All staff, but especially the Designated safeguarding Lead (and deputies) should consider whether children are at risk of abuse or exploitation in situations outside their families. Extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence.

The Designated Safeguarding Lead will keep a full record of concerns raised and make referrals to the Integrated Contact and Referral Team, if necessary. These records may be either handwritten or electronic but will be stored via a secure system. The Executive Principal will be kept informed at all times.

Actions where there are concerns about a child

1. In cases which also involve a concern or allegation of abuse against a staff member, see Part Four of KCSIE 2021
2. Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter One of [Working Together to Safeguard Children](#) provides detailed guidance on the early help process.
3. Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of [Working Together to Safeguard Children](#)

4. Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter One of [Working Together to Safeguard Children](#)
5. This could include applying for an Emergency Protection Order (EPO)

Safe Schools/Safe Staff

Trustees have agreed and ratified the following policies, procedures, processes or systems which must be read and considered in conjunction with this policy:

Whistle blowing/confidential reporting

Northern Lights Learning Trust's Whistle Blowing/Confidential Reporting Policy provides guidance to staff and volunteers on how they can raise concerns and receive appropriate feedback on action taken, when staff have concerns about any adult's behaviour.

Management of a safeguarding concern or allegation about an adult

If staff have safeguarding concerns, or an allegation is made about another member of staff (including supply staff and volunteers) posing a risk of harm to children, then this should be referred to the headteacher; where there are concerns/allegations about the headteacher, this should be referred to the chair of governors; and in the event of concerns/allegations about the headteacher, where the headteacher, this should be reported directly to the Designated Officer(s) at the local authority.

Consultation without delay with the Designated Officer [Tel: **0191 561 3901** or via Email:designatedofficer@togetherforchildren.org.uk] will determine what action follows. A multi-agency strategy meeting may be arranged to look at the complaint in its widest context, the CEO/Headteacher / senior member of academy staff must attend this meeting, which will be arranged by the Designated Officer. All issues must be recorded on the allegation management form and the outcome reached must be noted to ensure closure.

• Training and Support

All staff members should be aware of the systems within their academy, which support safeguarding and these should be explained to them as part of their induction into the academy to ensure they can discharge their responsibilities effectively. This includes: The Child Protection Policy; Staff Behaviour Policy; Safer Working Practice Document and the Names of the Designated Safeguarding Lead and their deputies.

All staff members receive appropriate safeguarding and child protection training which is regularly updated. The governing body decide the frequency and content of this CPD. At Northern Lights Learning Trust our whole academy training is held every two years. In addition, all staff members receive regular safeguarding and child protection updates via

staff meetings held weekly or internal CPD as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively and allow them opportunities to contribute to reviewing and shaping the safeguarding arrangements in school inclusive of, the Child Protection Policy.

- **Professional Confidentiality**

Confidentiality is an issue which needs to be understood by all those working with children, particularly in the context of safeguarding. Northern Lights Learning Trust recognises that the only purpose of confidentiality in this respect is to benefit the child. (Child Protection Sunderland Safeguarding Children Partnership Multi Agency Safeguarding Arrangements (MASA). www.safeguardingchildrensunderland.com).

- **Record Keeping**

Well-kept records are essential to good safeguarding practice. Northern Lights Learning Trust is clear about the need to record any concerns, discussions held, decisions made and reasons for those decisions about a child or children within its care. All staff will follow the academy's information sharing and recording policies to ensure record keeping is compliant and in line with the General Data Protection Regulation 2018 and Data Protection Act 2018.

**Safeguarding recording within Northern Lights Learning Trust is an electronic system (CPOMS) - all staff have received training in the recording expectations and retention. Following a child leaving our academy we follow the appropriate transfer procedures and retention guidelines. At Northern Lights Learning Trust [Benedict Biscop CE Academy] we started electronic recording from September 2017. All recording prior to this is in a combination of paper which has been uploaded to CPOMS. Retention guidelines are followed accordingly.

- **Attendance at Safeguarding Conferences**

In the event of Northern Lights Learning Trust being invited to attend child protection conferences, the Designated Safeguarding Lead or deputies will represent the academy and/or identify the most appropriate trained member of staff to provide information relevant to child protection conference (initial/review). In the event that those staff members cannot attend, the following trained members of staff may attend Sarah Armstrong or Gemma Clark.

- **Supporting Children**

Northern Lights Learning Trust recognises that children who are abused or who witness violence may find it difficult to develop a sense of self-worth and to view the world in a positive way. Northern Lights Learning Trust may be the only stable, secure and predictable element in the lives of some of the children in its care. The academy, therefore, recognises that such

children might exhibit challenging and defiant behaviour and will take careful note of the context of such behaviour.

As an Operation Encompass partner we work closely with Dianne Stockdale (Operation Encompass Lead) with regards to domestic violence incidents and offer wellbeing checks to our pupils if we are contacted following an incident which has occurred in one of our pupils homes.

Northern Lights Learning Trust also recognises that children are capable of abusing their peers. Peer on peer/child on child abuse can take many forms and any concerns raised will be investigated and dealt with appropriately. No peer on peer abuse/child on child abuse should be tolerated or minimised as part of growing up and all those involved will be provided with an appropriate level of support. It is understood that those pupils who have experienced abuse in their own lives may in turn abuse others. This requires a considered and sensitive approach in order that the child can receive appropriate help and support. See Peer on Peer Abuse/Child on Child Abuse Policy for detailed information.

Therefore Northern Lights Learning Trust will endeavour to support all its pupils through:

- The curriculum to encourage self-esteem, self-motivation, self-protection.
- The academy ethos, which promotes a positive, supportive and secure environment and which gives all pupils and adults a sense of being respected and valued.
- Approaches which allow children and young people to develop critical thinking, literacy skills and digital literacy skills.
- A curriculum which explores human rights, equality, democracy and tolerance and prepares children and young people fully for life in modern Britain.
- A curriculum where children develop personal resilience, understand and can take appropriate risks or have personal strategies/safety plans that allow them to manage their own safety both on and off line. This can include topics covered as part of Relationships, Relationships and Sex Education and Health Education, incorporated into our Personal Development Curriculum, as well as Fundamental British Values and the SMSC Curriculum which cover harm, abuse, positive and healthy relationships and crime.
- A coherent management of behaviour and discipline policy & procedures inclusive of the use of reasonable force.
- Liaison with other professionals and agencies who support children and parents.
- A commitment to develop productive, supportive relationships with parents whenever it is in the child's interest to do so.

- The development and support of a responsive and knowledgeable staff group whose role it is to respond appropriately in all safeguarding situations.

Northern Lights Learning Trust recognises that, statistically, children with behavioural difficulties and disabilities are the most vulnerable to abuse.

Academy staff who work, in any capacity, with children with profound and multiple disabilities, sensory impairment and/or emotional and behavioural problems will need to be particularly sensitive to signs of abuse.

Academy staff must give consideration to children who are subject to a statement of special needs, an education health and care plan or have a medical condition, as these can mask safeguarding issues and may often be attributed to the medical condition rather than that a child may be being harmed. Concerns such as changes in behaviour and presentation (both physical and mental) mood or injury must be considered for each individual child and their own circumstances and must not be dismissed. Children with SEN are often more prone to peer group isolation than other children and there is greater potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs. Therefore, time must be taken to ensure that the full circumstances of any child who has additional needs and requires support around language and communication is shared at the point of referral to ensure the best possible outcome for the child is always achieved and their voice through any form of communication is always heard. To address these additional challenges, the Trust has considered extra pastoral support for children with SEN and disabilities, through specific referral and support to Room2 Talk.

Northern Lights Learning Trust also recognises that in a home environment where there is domestic violence, drug or alcohol misuse or mental health issues children may also be vulnerable and in need of support and protection.
