'All things are possible'

18th January 2024

Dear Parents/Guardians,

In response to the overwhelming interest, I am writing to advise that we are able to extend the numbers for our Breakfast Club going forward. The trial extension during this month has allowed us to assess the feasibility, impact on staffing and the overall functionality of the club. This increase is a result of our commitment to supporting parents and aiming to align our services with the needs of our school community.

However, it's important to note that the increased numbers are subject to change based on ongoing assessments. Breakfast Club is not a mandatory service, but we are dedicated to providing support to our families where possible. As such, we will continue to evaluate our capacity to maintain this expansion in the long term, considering both staffing and financial resources.

In the near future, there may be a potential increase in the price of the club. This is a necessary consideration to sustain the availability of the service. Any changes to the fees will be thoroughly discussed with the local governing body, taking into account the financial implications for parents and the school's commitment to affordability.

The registers for February will open at 4pm tomorrow, Friday 19th January 2024. We will continue to open the registers on a monthly basis on the first school working day of the month, for the following month. We have seen a high success rate in accommodating those who have utilised our waiting list so would encourage you to contact us should you not be able to secure a space.

We appreciate your understanding and cooperation as we work to ensure that our Breakfast Club remains a valuable and supportive resource for our families. If you have any questions or concerns, please feel free to contact us.

Your sincerely,

Mrs Armstrong
Headteacher
