Wednesday 28th February 2024

Dear Parents/ Carers,

As part of our creative curriculum, Year 6 will be visiting Safety Works to experience a range of interactive safety scenarios in impressive, true-to-life settings, helping them learn how to prevent danger and live safely.

During the afternoon we will be immersed in the mock-up, purpose built mini 'town' that includes a supermarket, metro station, hospital, police station, park and even a 'home'. It's in each of these settings where sessions will be delivered by experts from the Fire Service, Police and other partner agencies.

This trip will take place **Friday 8th March 2024**. We will be leaving school during lunch time; children will still have lunch in school as normal, just at a slightly earlier time. We will return to school for 3:30pm - we will contact you via text message to inform you if there are any delays.

The total cost of the trip to school is £360 for transport (£11.61 per pupil). Therefore, we would be grateful for any voluntary contributions towards the cost of this trip. A payment has been set up of £8.00 on your child's SchoolMoney account – please feel free to overwrite this amount to whatever contribution you're able to make.

Thank you for your continued support.

Yours sincerely,

Mrs Hansen
Class Teacher
