Thursday 10th October 2024

Dear Parents/ Carers,

Last year when your child was in Year 4, they participated in a visit from Groundworks and performed a song about "Reduce, Reuse, Recycle." We are thrilled that following the visit to school, Groundworks have invited a group of children to perform the same song at their special event celebrating Groundwork's 10th Anniversary at their centre!

This will take place on **Wednesday 16th October 2024** and will be attended by local councillors, staff from Groundwork, SUEZ, and the local council. It is a fantastic opportunity for the children to be a part of a significant community celebration, highlighting the importance of environmental sustainability.

Throughout the morning Groundworks will be taking photographs and recordings of the event, which may appear in publications, on websites, social media, advertising or other marketing materials and may also be released to the media. We have attached Groundworks' Images and Voice Consent Form – **please only complete and return the form if you are happy for your child to be included within the photographs/ recordings, by Monday 14th October.**

We will be leaving school at 9:30am and arriving back to school for normal lunch time.

Children should attend in their school uniform and school shoes.

Thank you for your continued support.

Yours Sincerely,

School Office
